

Online Claim Request Form Instructions

Thank you for expressing interest in submitting your CACFP claims on the web. Please visit the MT CACFP website at www.bestbeginnings.mt.gov and find the "Web Claim Access Form" and the "Web Claim Filing Agreement" under CACFP/Forms/Web Claim Forms.

Complete the gray portions of the Web Claim Access form in the top section, then print and sign and date the form. Do not complete any items in the last section. Print the Web Claim Filing Agreement form and complete the form. Mail both forms to the address listed on the form.

When the State agency receives the forms, we will process the forms and send you a username, password, and easy-to-follow instructions for submitting your claim. If you have questions or need additional information, please call 1-888-307-9333 or 406-444-4347.
